

Install from G Suite Marketplace

The Alpha Vantage Google Sheets Add-on can only be installed by a G Suite Administrator from the G Suite Admin page (<https://admin.google.com>). Some guidance from Google can be found [here](#).

Select Marketplace apps from the menu

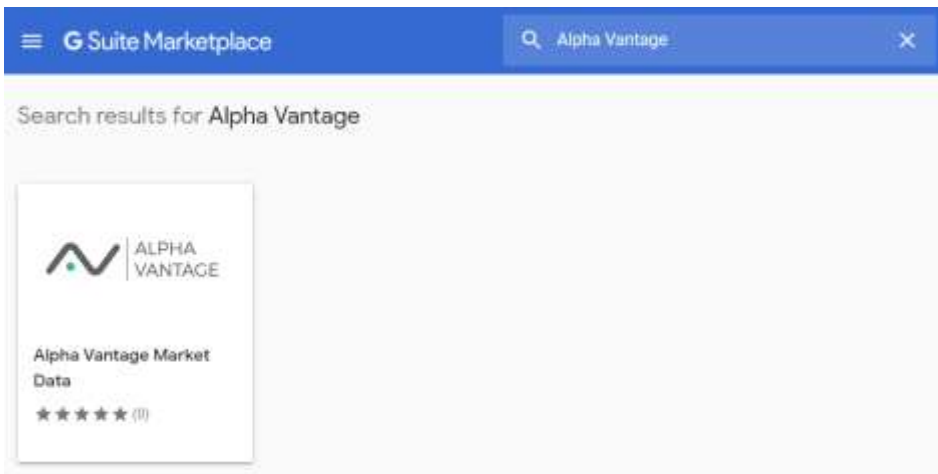

This will bring you to a page showing any applications/services installed to your G Suite account.

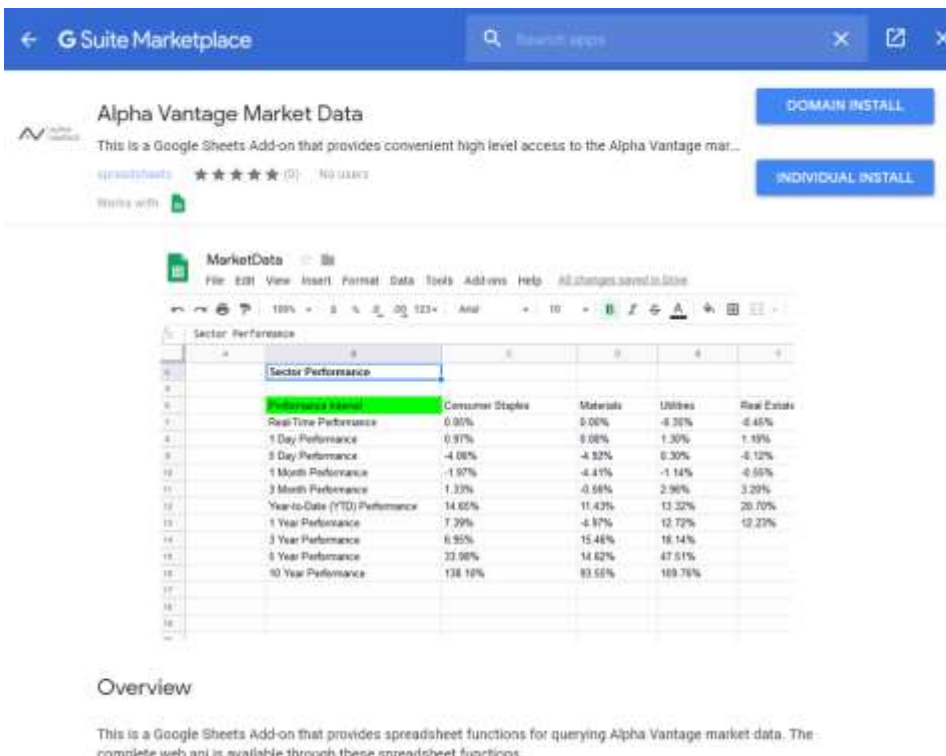

No services have been installed.

[Add services to your domain](#)

This image shows that I have no services installed to my sample account. I click “Add services to your domain” which will bring up the G Suite Marketplace. If you search for “Alpha Vantage” you’ll see

Clicking this will bring you to page that looks like

From this page you can install the Add-on for the entire domain or for an individual user.

As always let us know if you have questions/problems at spreadsheets@alphavantage.co!
